MISSION AND PURPOSE STATEMENT

Rotary is a worldwide organization of business and professional persons. Rotarians have united to provide humanitarian service, encourage high ethical standards, build goodwill and promote peace in the world. While Rotarians represent a broad spectrum on the World's religions, cultures and political thought, they share a common bond in Rotary's call to action "Service Above Self."

ROTARIAN OF THE MONTH:

TODAY'S SPEAKER

Today our speaker will be Doug McGregor, Right Brian and Creativity

LAST WEEK'S SPEAKER

Last weeks speaker was General James Dozier. General Dozier was kidnapped from his apartment in Verona at approximately 6:00PM on December 17, 1981, by four men posing as plumbers. It was later reported that as many as four additional terrorists provided support with multiple vehicles. His wife was not kidnapped, but was left bound and chained in their apartment. He is currently working with the Dept. of Defense to establish training classes for stop terrorism. He spoke extensively about the war of terrorism and how it has affected our everyday lives.

ROTARY MINUTE

Watch RI President Ray Klinginsmith ring the New York Stock Exchange closing bell 23 February

RI President Ray Klinginsmith will ring the closing bell at the New York Stock Exchange on 23 February during a ceremony with representatives from Rotary and Sanofi Pasteur, a leading provider of polio vaccine, in honor of Rotary's 106th anniversary and in support of a polio-free world.

Rotarians can watch the event through streaming video at <http://www.nyse.com>.

Representatives of the two organizations will also take part in opening bell ceremonies in four financial markets in Europe that day: Lisbon, Portugal; Amsterdam; Brussels, Belgium; and Paris. Video of the events will be streamed at www.euronext.com.

That evening, the New York Stock Exchange Building will provide a dramatic backdrop for an equally dramatic message: End Polio Now, which will be projected onto the building. Grammy Award-winning singer Angélique Kidjo, a participant in Rotary's "This Close" polio awareness campaign, will attend the lighting. Other landmarks around the world will be illuminated during the week of 23 February in support of Rotary's pledge to rid the world of this crippling childhood disease
