MISSION AND PURPOSE STATEMENT

Rotary is a worldwide organization of business and professional persons. Rotarians have united to provide humanitarian service, encourage high ethical standards, build goodwill and promote peace in the world. While Rotarians represent a broad spectrum on the World's religions, cultures and political thought, they share a common bond in Rotary's call to action "Service Above Self."

ROTARIAN OF THE MONTH:

TODAY'S SPEAKER

Our guest speaker for today is Julie Workman—The Heights Foundation

LAST WEEK'S SPEAKER

Lee County Parks and Recreation spoke to us about upcoming events as well as some information on the new Boston Red Sox.

Summer camp opportunities abound at Lee County Parks & Recreation. From teen camps and specialty camps to traditional camps like what you remember growing up, there's something for everyone.

The Lakes Park Enrichment Foundation has teamed up with a local non-profit Farmers Market in the efforts to help raise money for their future Botanical Garden. The Farmers market will be at Lakes Park every Friday morning (Jan. 29 - May 28) from 9 a.m. - 1 p.m. We had our first market on Friday, Jan. 29 and it was a huge success.

The Great Calusa Blueway Paddling Trail is a 190-mile marked canoe and kayak trail that meanders through Lee County, Florida's, coastal waters and inland tributaries.

Southwest Florida's Gulf Coast is dotted with sugar-sand beaches – slivers of paradise on barrier islands. What's harbored behind the islands, though, is a maze of mysterious mangroves – leggy, saltwater tolerant trees – and wildlife that rivals destinations North Americans need passports to visit. The trail's trek through shallow water keeps paddlers safely away from places powerboats travel, and it puts them closer to nature, where blush-colored roseate spoonbills feed at dawn, schools of silver-hued fish dart beneath their boats and lumbering manatees feed on sea grasses.

DOLLARS MAKE A DIFFERENCE!!!!

Anyone who knows of a community organization or group that needs funds should submit the request to Bo Turbeville or Scott Gregory for review by the board.

For a CONTRIBUTION REQUEST FORM go to: www.rotarysouth.org.

ROTARY MINUTE

- District Conference** - plans are well under way and we need your support to talk it up with your members. The AG's are pushing hard to market the Conference, which will be a great deal of fun and fellowship.
- Silent auction** - we are working on putting together a silent auction. **Please let Jane Goble know if you have any items you wish to donate.**
- By-Laws and Rules of Procedure** - you should have received these documents in a separate mailing. Please share them with your members. They will be on the website beginning March 10 for an open comment period for 30 days prior to the Assembly on April 10.
- Camp FL fix-up day** - Thank you all for your support, not only in donations given during the year, but in helping to make the fix-up day on March 1 a success.
- Juvenile Diabetes Research Foundation** - just a reminder that the two *Walks for the Cure* will be held on March 20 in Siesta Key and April 17 at the Bell Tower Shops in Ft. Myers. The Ft., Myers event is being coordinated by John Kimbell (john_kimbell@afgfl.com) If interested, please coordinate with Bill or John.
- Interact** - Milley Burden, our Webmaster, has placed a list of Interact Clubs on the website. We have 20 Interact Clubs in the District currently. I received a notice that the age of students participating in Interact Clubs is now 12-18, effective immediately.
- Rotaract** - the Estero club is working to revive the Rotaract Club at Florida Gulf Coast University and the Ft. Myers Club is working towards sponsorship of a new Club at Edison College. Stay tuned.
- New Club** - PDG Gary Israel is working with an Extension Committee to create a new club in the Estero/San Carlos area of Lee County that will be sponsored by the two Clubs in Bonita and the Estero Club. The goal is to create an early evening/cocktail hour club. This appears to be a trend in Rotary and we hope to take advantage of an opportunity like this.

SONG OF THE WEEK

MY WILD IRISH ROSE

My wild Irish rose,
the sweetest flow'r that grows.
You may search ev'ry-where,
but none can compare
With my wild Irish Rose.
My wild Irish rose, the dearest flow'r that grows.
And some day for my sake, she may let me take
The bloom for my wild Irish Rose.

ANNOUNCEMENTS
